Checkpoint 4 Sprint D 02-06-2022

Did some user stories

She is hardworking, does not hesitate to spend more time on the project then needed.

Did her job as always, and cares about the project under a team point of view, which in my opinion is really important

Sometimes can mess up the code a little so time has to be spent to fix the merging issues. However, she did almost every task assigned to her this sprint and did not miss any meetings so that's defini...

Great job. No complaints

did her part nicely

Checkpoint 3 Sprint C 12-05-2022

still very chaotic

still friendly, contributes a lot to the project

Did her job at a proper level

10/10 Gets things done and is implied with the project

She did her part... slowly

Is ok. Didn't do much this sprint but also didn't have much work assigned to her.

Checkpoint 2 **Sprint B** 14-04-2022 

		not very good at planning
		Did her job at a proper level
		slow... like really slow... but finished her part
		Great team member! Takes her tasks seriously and supports everybody when its needed!
		Always sends in everything at the last minute, 11:30 is not a good time for us to review your code and test it.

Checkpoint 1 **Sprint A** 24-03-2022 

		Works a bit chaotic, needs a better planning
		Did her job at a proper level
		Good team worker, I like her organization and communication skills!
		very friendly
		She is the most normal teammate. She does her job properly.
		Great at making documentation.
